

Miley Cyrus - I'm Home

Tom: C

Something looks familiar in the colour of the sky
 Reminds me of the mistake that I made last night
 As blue as the ocean, as wild as a tide

Em C G
 I'm home
 Em C G
 In your arms is where I belong
 Em C G
 Please don't make me go
 Em C G
 Thank God that I'm finally home

G
 Here I go again somewhere I haven't been now for a while

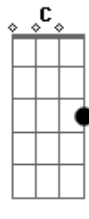

It feels so damn good just to let out a smile
 Can't remember the last time I felt love

G C
 With your skin touching mine, somehow I feel so strong
 When I look in your eyes, I look into your soul

C
 If you're not holding me , I can't breathe, I'd rather die

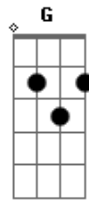

Em C G
 I'm home
 Em C G
 In your arms is where I belong
 Em C G
 Please don't make me go
 Em C G
 Thank God that I'm finally home
