

Miley Cyrus - Inspired

Tom: **G**

G
I'm writing down my dreams, all I'd like to see
Em C G
Starting with the bees or else they're gonna die
G
There won't be no trees or air for us to breathe
Bm G
I'll start feeling mad, but then I feel inspired
G A
Thinking about the days coming home with dirty feet
G C
From playing with my dad all day in the creek
G A D
He somehow has a way of knowing what to say
G C Em
So when I'm feeling sad, he makes me feel inspired

Em D G
We are meant for more

Am G
Pull the handle on the door that opens up to change
C D
I know that sounds so strange, to think
G Am G
We are meant for more

C G
Pull the handle on the door that opens up to change
A
I know that sounds so strange

Bm G C
'Cause you've always felt so small, but know you aren't at all
G A G

And I hope you feel inspired
G Am G C
Oh, I hope you feel inspired

Em B G A Am
How can we escape all the fear and all the hate?
G
Is anyone watching us down here?
Am C G
Death is life, it's not a curse

Am
Reminds us of time and what it's worth
C G
To make the most out of it while we're here

Em D G
We are meant for more

Am G
Pull the handle on the door that opens up to change
C D
I know that sounds so strange, to think
G Am G
We are meant for more

C G
Pull the handle on the door that opens up to change
A
I know that sounds so strange

Bm G C
'Cause you've always felt so small, but know you aren't at all
G A G
And I hope you feel inspired
G Am G C
Oh, I hope you feel inspired
