

Miley Cyrus - Island

tom:
 Ab (forma dos acordes no tom de G)
 Capotraste na 1ª casa
 Intro: Em

[Primeira Parte]

I'm on an island
 Dirty dancing in the sun
 So close to heaven
 But so far from everyone
 Yeah, I've got treasures buried
 Underneath the sand
 But I'm still wishing for the love

That I don't have

[Pré-Refrão]

Mama told me
 "Girl, smoke 'em if you got 'em"
 Left my lighter back at home

With all my problems
 So I'm sittin' here

Wondering all day long

[Refrão]

Am I stranded on an island?
 Or have I landed in paradise?
 Am I stranded on an island?
 Or have I landed in paradise?

[Segunda Parte]

I can paint my toenails while
 I'm soaking up the sea
 The only thing that's missing here
 Is you and our TV
 And I won't lie, it sure gets lonely

Here at night
 But no one here needs nothin'
 From me and it's kind of nice

[Pré-Refrão]

Mama told me
 "Girl, smoke 'em if you got 'em"

Acordes

Left my lighter back at home

With all my problems
 So I'm sittin' here

Wondering all day long

[Refrão]

Am I stranded on an island?
 Or have I landed in paradise?
 Am I stranded on an island?
 Or have I landed in paradise?

[Ponte]

I hear your voice
 Like a song on the radio
 All day along, 'cause, boy

I've been missing you
 I hear your voice
 Like a song on the radio

I hear your voice
 Like a song on the radio
 All day along, 'cause, boy

I've been missing you
 I hear your voice
 Like a song on the radio

[Refrão]

Am I stranded on an island?
 Or have I landed in paradise?
 Am I stranded on an island?
 Or have I landed in paradise?

Am I stranded on an island?
 Or have I landed in paradise?
 Am I stranded on an island?
 Or have I landed in paradise?

Am I stranded on an island?
 Or have I landed in paradise?
 Am I stranded on an island?
 Or have I landed in paradise?
