

# Miley Cyrus - Kicking And Screaming

Tom: **D**

(intro)

(verso)

(chorus)

(intro)

(first part of the next verse - just mute the strings and listen for the strum pattern)

(verso)

(chorus)

(this next part is awesome)

(intro)

(verso)

(chorus)

Don't keep me waiting, anticipating  
Treating me like a fool  
I got news for you  
I'm turning my back  
I'm dropping a bomb on you

You want me  
You need me  
Believe me, you'll be callin'  
You love me  
You hate me  
Believe me, you'll come crawlin'

So get down and get off  
Let me show you what you'll be missing  
We break up, you break down  
Gonna drag you through this kicking and screaming

Don't keep me guessing your favorite obsession

Don't get me a lame excuse  
Is it me that you're messing  
It's the same old confession  
You're the one with something to lose

Watch out now  
A blackout  
There's no doubt  
You can't have it  
Control you  
I'll own you  
I'll show you, but you still can't have it

So get down and get off  
Let me show you what you'll be missing  
We break up, you break down  
Gonna drag you through this kicking and screaming  
So get down and get off  
You're not the only one that I've been missing  
We break up, you break down  
Gonna drag you through this kicking and screaming  
You'll be kicking and screaming  
You'll be kicking and screaming  
But I'm so deceiving, you'll be kicking and screaming

Watch out now  
You'll find out  
You'll cry out  
There's no one above me  
I play hard  
Don't run far  
Come back now, I really do like you...

So get down and get off  
Let me show you what you'll be missing  
We break up, you break down  
Gonna drag you through this kicking and screaming  
So get down and get off  
You're not the only one that I've been missing  
We break up, you break down  
Gonna drag you through this kicking and screaming

You'll be kicking and screaming  
You'll be kicking and screaming

Kicking and screaming

Kicking  
And  
Screaming

| / slide up  
| \ slide down  
| h hammer-on  
| p pull-off  
| ~ vibrato  
| harmonic  
| x Mute note

## Acordes
