

Miley Cyrus - Make Some Noise

Tom: G

Its easy to feel like you're all alone
 To feel like nobody knows
 The great that you are, the good thats inside you
 Is trying so hard to break through
 Maybe, it's your time to lift up and fly
 You won't know if you never try
 I will be there with you all of the way
 You'll be fine
 Dont!
 Let!
 Anyone tell you that your not strong enough
 Dont give up!
 There's nothing wrong with
 Just bein yourself that's more than enough
 Some come and raise your voice
 Speak your mind and make some noise!..
 and sing
 Hey!
 Hey!
 Make some noise
 Hey!
 Hey yeah...
 You want to be know
 You want to be heard, and know you are beautiful
 You have so much to give, some change you wanna live
 So shout it out and let it show
 You have a diamond inside of your heart
 A light that shines bright as the stars
 Dont't be afraid to be all that you are
 You'll be fine
 Dont!
 Let!
 Anyone tell you that your not strong enough
 Dont give up!
 There's nothing wrong with
 Just bein yourself that's more than enough
 Some come and raise your voice
 Speak your mind and make some noise!..
 and sing
 Hey!
