

Miley Cyrus - My Heart Beats For Love

Tom: **D**

Intro: 2x: **D G Bm A**

I've been stranding on a lonely street

Got lost in the shadows

Fell hard in the battle

The cries and the suffering

I walked through the darkness

Left broken and heartless

I'm calling out, can you hear my voice?

I'm gonna find you through all the noise
Ooh whoa

You know there's nothing that I wouldn't do

Shine your light as I reach for you

My heart beats for love

My heart beats for love

It's the sound that I hear, tells me not to give up

It breathes in my chest and

It runs through my blood

My heart beats for love

My heart beats for love

Whoa ooh oh oh yeah

And I've been told at least a thousand times

It's not worth the struggle, the hurt or the trouble

I keep running up to these front lines

No I won't surrender

I'll wait here forever

Standing here with my flag held high

Oh can't you see that it's worth the fight?

My heart beats for love

My heart beats for love

It's the sound that I hear, tells me not to give up

It breathes in my chest and

It runs through my blood

My heart beats for love

My heart beats for love

Whoa ooh oh oh yeah

I've marched across this battle field

I'm screaming out, can you hear me now?

I'm holding on, I stand my ground

I'm screaming out, can you hear me now?

My heart beats for love

My heart beats for love

It's the sound that I hear, tells me not to give up

It breathes in my chest and

It runs through my blood

My heart beats for love

My heart beats for love

My heart beats for love

My heart beats for love

It's the sound that I hear, tells me not to give up

It breathes in my chest and

It runs through my blood

My heart beats for love

My heart beats for love

Whoa ooh oh oh yeah
