

# Miley Cyrus - Never Be Me

tom:  
[Primeira Parte]

I know I do this every time  
I walk the line, I play with fire  
And I stop myself before the crime  
I walk the line, yeah, I play with fire

[Pré-Refrão]

I don't wanna push you way too much  
I don't wanna lean that way too far  
I don't wanna ever learn the hard way

[Refrão]

But if you're looking for stable, that'll be never be me  
If you're looking for faithful, that'll never be me  
If you're looking for someone to be all that you need  
That'll never be me  
(Hard as I try)  
That'll never be me  
(I play with fire)

[Verse 2]

Dry your tears now, don't you cry  
I'm by your side, at least for a while  
I know I do this every time  
I walk the line, yeah, I play with fire

[Pré-Refrão]

I don't wanna push you way too much  
I don't wanna lean that way too far  
I don't wanna ever learn the hard way, no

I don't wanna keep you in the dark  
I don't wanna gamble with your heart  
I don't wanna ever leave you lonely

[Refrão]

But if you're looking for stable, that'll be never be me  
If you're looking for faithful, that'll never be me  
If you're looking for someone to be all that you need  
That'll never be me  
Hard as I try  
That'll never be me  
I play with fire

[Bridge]

Can't get too close to the sun (Fire)  
Baby, you're the only one, oh, I  
I'd never lie to you, baby, oh (Fire)  
You give me a reason to run from the fire  
'Cause baby, you're the only one  
Oh, I swear I'd never lie

[Refrão]

If you're looking for stable, that'll be never be me  
But I hope that I'm able to be all that you need  
If you think that I'm someone to give up and leave  
That'll never be me, no  
If you think that I'm someone to give up and leave  
That'll never be me  
Hard as I try  
That'll never be me, no  
I play with fire  
That'll never be me
