Miley Cyrus - Never Be Me

```
                            tom:
                    Dbm

                 [Primeira Parte]

  Dbm                     E
I know I do this every time
        Dbm                   E
I walk the line, I play with fire
      Dbm                     E
And I stop myself before the crime
         Dbm                    E
I walk the line, yeah, I play with fire

[Pré-Refrão]

                A
I don't wanna push you way too much
B           Dbm
I don't wanna lean that way too far
                    E
I don't wanna ever learn the hard way

[Refrão]

                          Gbm                      B7
But if you're looking for stable, that'll be never be me
                        E                      A
If you're looking for faithful, that'll never be me
                        Gbm                   B7
If you're looking for someone to be all that you need
                     E
That'll never be me
           A
(Hard as I try)
                Gbm
That'll never be me
              B7
(I play with fire)

[Verse 2]
Dbm                             E
Dry your tears now, don't you cry
          Dbm                  E
I'm by your side, at least for a while
   Dbm             E
I know I do this every time
            Dbm               E
I walk the line, yeah, I play with fire

[Pré-Refrão]

                A
I don't wanna push you way too much
B           Dbm
I don't wanna lean that way too far
                    E                  A
I don't wanna ever learn the hard way, no
```

```
                    A                B
I don't wanna keep you in the dark
                   Dbm              B
I don't wanna gamble with your heart
                  E
I don't wanna ever leave you lonely

[Refrão]

                          Gbm                      B7
But if you're looking for stable, that'll be never be me
                        E                      A
If you're looking for faithful, that'll never be me
                        Gbm                   B7
If you're looking for someone to be all that you need
                     E
That'll never be me
           A
Hard as I try
                Gbm
That'll never be me
                Gbm
I play with fire

[Bridge]
                             Dbm
Can't get too close to the sun (Fire)
                           E
Baby, you're the only one, oh, I
            A             A
I'd never lie to you, baby, oh (Fire)
              B                      Dbm
You give me a reason to run from the fire
                       B
'Cause baby, you're the only one
        E
Oh, I swear I'd never lie

[Refrão]

                          Gbm                      B7
If you're looking for stable, that'll be never be me
                        E                      A
But I hope that I'm able to be all that you need
                        Gbm                   B7
If you think that I'm someone to give up and leave
                     E    A
That'll never be me, no
                        Gbm                   B7
If you think that I'm someone to give up and leave
                     E
That'll never be me
           A
Hard as I try
                Gbm
That'll never be me, no
              B7
I play with fire
                   Dbm
That'll never be me
```
