

Miley Cyrus - Robot

Tom: G

(intro) Em

So, it's been like this from the start,
One piece after another and made my heart,
You mistake the pain for being smart,
stand here, sell this, and hit your mark
But the sound of the steel,
it will crush it will grind,
It will scream cause who am I to decide my life?
But in time it'll die,
Theres nothing left inside,
Just rust and metal that was never even mine.

I will scream,
But Im just this hallow shell,
Waiting here,
Begging please
God, set me free so I can feel
Hey!

Stop trying to live my life for me,
I need to breathe,
Im not your robot
Stop telling me Im part of this big machine
Im breaking free,

Cant you see?
I can love,
I can speak,
Without somebody else operating me,
You gave me eyes and now I see,
Im not your robot,
Im just me.

All this time,
Ive been misled,
There was nothing but cross-wires in my head,
I've been taught to think that what I feel,
Doesnt matter at all so you say it's real.
I will scream,
But I'm just this hallow shell,
Waiting here,

Begging please

Set me free so I can feel
Hey!

Stop trying to live my life for me,
I need to breathe,
Im not your robot
Stop telling me Im part of this big machine
Im breaking free,

Cant you see?
I can love,
I can speak,
Without somebody else operating me,
You gave me eyes so now I see,
Im not your robot,
Im just me.
Im not your robot,

Im just me.
Im not your robot.
I would scream
But Im just this hollow shell
Waiting here
Begging please
Set me free so I can feel

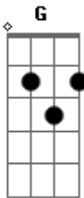

Hey!

Stop trying to live my life for me,

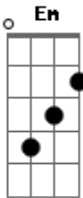

I need to breathe,
(no chord)
Im not your robot
Stop telling me I'm part of this big machine
I'm breaking free,

Cant you see?
I can love,
I can speak,
Without somebody else operating me,
You gave me eyes so now I see,
Im not your robot,
Im just me.
Im not your robot,
Im just me. (Am C G)
Im not your robot!
