If I could, for just one night, to be with you, to make it right, **D** **A**
 And what we were, and what we are, **Em**
 Is hidden on the, in the scars, **G**
 If I could, take you there, **D**
 I wont let go, this I swear, **A**
 You wont have to wonder what we are, **Em**
 Cause you wont have to look to far, **G**
 Its in the scars, Its hidden in the scars, **Bm** **A**

(same as first couplet)
 If I told you that I love you,

But Im doing alright without you it'd be a lie, But I could try,
