

Miley Cyrus - Slab Of Butter (Scorpion)

Tom: **B**

The only laws I obey, the ones I'm makin' for myself
 So why you make me play on the road to something else?
 Self control is not something I'm working on
 We fuck, you turn me on, is all I can say about you

Chorus:

I feel like a slab of butter that is melting in the Sun
 Aggression melts away now that you and me are one
 Now that you and me are one
 Now that you and me are one
 You turn me on
 You turn me on
 You turn me on
 You turn me on
 You turn me on

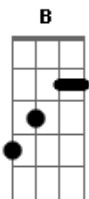

Verse II:

Make sure made a hole and now it's open full of sweat
 Like a scorpion, I'm fire, stay in my summer den
 I get extinguished by your station
 You turn me on, is all I can say about you

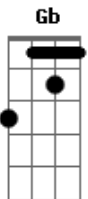

Chorus:

I feel like a slab of butter that is melting in the Sun
 Aggression melts away now that you and me are one
 Now that you and me are one
 Now that you and me are one
 You turn me on
 You turn me on
 You turn me on
 You turn me on
 You turn me on
