

# Miley Cyrus - Someone Else

Tom: C

If you're looking for love<sup>Am</sup>

Know that love don't live here anymore<sup>F</sup>

He left with my heart<sup>C</sup>

They both walked through that door without me<sup>G</sup>

If you're trying to find pity<sup>Am</sup>

well you need to look somewhere else<sup>F</sup>

'Cause I surely can't help you<sup>C</sup>

I'm hurting myself<sup>G</sup>

I've turned into someone else

Verse 1:

<sup>Am</sup> I used to believe love conquered all

<sup>Am</sup> 'Cause that's what I've seen in movies

<sup>F</sup> Come to find out it's not like that at all

<sup>G</sup> You see real life's much different

Pre-Chorus

<sup>Am</sup> I don't wanna see you go, I only wanna see you smile

<sup>Am</sup> It hurts so much just thinking of, felt like this for awhile

<sup>F</sup> I can't stand to see us fail, We cried we lied cannot pretend

<sup>Am</sup> Hold me close, don't let me go, I hope<sup>C</sup>

Tell me that now is not the end<sup>G</sup>
