

Miley Cyrus - Stay

Tom: C

(parte 1)

Well it's ^{Am}good to hear your voice

I ^Fhope you're doing fine

And if you ever wonder

I'm ^Flonely here tonight

^{Am}Lost here in this moment

And time keeps slipping by

And if I could have just one wish

I'd have you by my side

^{Em} ^{Dm} ^G
Oh, oh I miss you

^{Em} ^{Dm} ^G
Oh, oh I need you

(refrão)

And I love you ^{Am}more

Than I did before

And if today I don't see your face

Nothing's ^{Am}changed no one can take your place

It gets harder everyday

Say you love me ^{Am}more

Than you did before

And I'm ^Csorry it's this way

But I'm coming home

I'll be coming home

And if you ask me I will stay

I will stay

(parte 2)

Well I ^{Am}try to live without you

The tears fall from my eyes

I'm ^Galone and I feel empty

God I'm ^Ftorn apart inside

I look up at the stars

Hoping you're doing the same

Somehow I feel closer

And I can hear you say:

^{Em} ^{Dm} ^G
Oh, oh I miss you

^{Em} ^{Dm} ^G
Oh, oh I need you

(refrão)

And I love you ^{Am}more

I ^Fwill stay

Than I did before

And if today I don't see your face

Nothing's ^{Am}changed no one can take your place

It gets harder everyday

Say you love me ^{Am}more

Than you did before

And I'm ^Csorry it's this way

But I'm coming home

I'll be coming home

And if you ask me I will stay

I will stay..

^{Em}Always stay...

^{Dm}I never wanna lose you

And if I had to I would chose you (^{Ab})

So stay, please always stay

You're the one that I hold on to

My heart would stop without... you... (^{Ab}) ^F

(refrão)

And I love you ^{Am}more

Than I did before

And if today I don't see your face

Nothing's ^{Am}changed no one can take your place

It gets harder everyday

Say you love me ^{Am}more

Than you did before

And I'm ^Csorry it's this way

But I'm coming home

I'll be coming home

And if you ask me I will stay

I will ^{Am} ^F ^C ^Gstaaaaaaaaaay..

I always ^{Am} ^F ^C ^Gstaaaaaaaaaay...

^{Am}I love you more

Than I did before

And I'm ^Csorry that it's this way

But I'm comin' home.

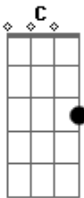

I'll be coming home

And if you ask I will stay

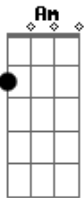

I will stay

^{Am}I will stay..
