

# Miley Cyrus - The Climb

Tom: **E**

(primeira parte)

**E**  
I can almost see it

That dream I'm dreaming but

**A**  
There's a voice inside my head saying

**Gbm**  
You'll never reach it

**E**  
Every step I'm taking

Every move I make feels

**A**  
Lost with no direction

**Gbm**  
My faith is shaken

(pré-refrão)

**Dbm** **Abm**  
But I, I gotta keep trying

**A** **Gbm**  
Gotta keep my head held high

(refrão)

**E**  
There's always gonna be another mountain

I'm always gonna want to make it move

**A**  
Always gonna be an uphill battle

**Gbm** **B**  
Sometimes I'm going to have to lose

**E**  
Ain't about how fast I get there

**Dbm B A**  
Ain't about what's waiting on the other si\_\_\_\_\_de

**E**  
It's the climb

(segunda parte)

The struggles I'm facing

The chances I'm taking

**A**  
Sometimes might knock me down but

**Gbm**  
No I'm not breaking

**E**  
I may not know it

But these are the moments that

**A**  
I'm gonna remember most and

**Gbm**  
Just gotta keep going

(pré-refrão)

**Dbm** **Abm**  
And I, I got to be strong

**A** **Gbm**
