

Miley Cyrus - The Driveway

Tom: **G**

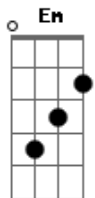

G
After twelve, not so well
Em
Won't pretend It's too soon to tell
C
What's 'round this bend
G
No disgrace, about face
Em
Anything not To have to chase
C
You down again
Am **C**
You know Nothing hurts like losing
D **G**
When ya know it's really gone
Am **C**
Except for the pain of choosin
D
To hold too long
G
I tried it your way
Dm
But I got nothing to show
Em
It's been the same, same
D
And the story's getting old
G
So I guess the driveway
Dm
Will be the end of the road
Em
For us it's too late
D
Let the credits start to roll
G

A lot to say, but not today
Em
Let the radio break the silence
C
As we drive
G
A kiss goodbye, not this time
Em
Don't remember What about this song
C
I ever liked
Am **C**
You know Nothing hurts like losing
D **G**
When ya know I'm already gone
Am **C**
Except for the pain of choosin
D
To hold too long
{CHORUS}
Em
I thought maybe We were getting somewhere
G
But we're still nowhere at all
Em
I watched your tail lights fading
D
I try but it still won't fall
Em
I remember what it feels like
G
To know love And have it taken away
Em
I can't think of what I learned right now
D
But I'll be Thanking you someday
