

Miley Cyrus - Violet Chemistry

tom:
Capo: Ab (forma dos acordes no tom de G)
Intro: G7M Em

[Primeira Parte]

When the floor is wet
And the lights come on
But you don't wanna leave
And your phone is lost
But the car's outside
Waitin' out on the street

[Pré-Refrão]

Tonight, we'll be just be wrong
Ain't done this in so long
We ain't gotta talk

Baby we'll keep the stereo on
When the floor is wet

And the lights come on
But you don't wanna leave

[Refrão]

Stay a while
Stay a while with me
Stay a while, don't deny
The violet chemistry
Stay a while
Stay a while with me
Stay a while
Put your arms around me
Put them around me

[Segunda Parte]

When the floor is wet
And the lights come on
But you don't wanna leave
Can I bum a cigarette?

We could paint our names
In black on the marquee

[Pré-Refrão]

Tonight, we'll be just be wrong

Ain't done this in so long
We ain't gotta talk
Baby we'll keep the stereo on
When the floor is wet
And the lights come on
But you don't wanna leave

[Refrão]

Stay a while
Stay a while with me
Stay a while, don't deny
The violet chemistry
Stay a while
Stay a while with me
Stay a while
Put your arms around me
Put them around me

[Ponte]

Fingers start to dance along
The figures and the shapes
Mixing all the colors

Like we're makin' a Monet
There's something between us

That's too major to ignore
May not be eternal but

Nocturnal, nothin' more
Fingers start to dance

Along the figures and the shapes
Mixing all the colors

Like we're makin' a Monet
There's something between us

That's too major to ignore
May not be eternal but

Nocturnal, nothin' more

[Pré-Refrão]

Tonight, we'll be just be wrong

Ain't done this in so long
We ain't gotta talk

Baby we'll keep the stereo on
