

# Miley Cyrus - Violet Chemistry

tom:  
Capo: Ab (forma dos acordes no tom de G )  
Intro: G7M Em

[Primeira Parte]

When the floor is wet  
And the lights come on  
But you don't wanna leave  
And your phone is lost  
But the car's outside  
Waitin' out on the street

[Pré-Refrão]

Tonight, we'll be just be wrong  
Ain't done this in so long  
We ain't gotta talk

Baby we'll keep the stereo on  
When the floor is wet

And the lights come on  
But you don't wanna leave

[Refrão]

Stay a while  
Stay a while with me  
Stay a while, don't deny  
The violet chemistry  
Stay a while  
Stay a while with me  
Stay a while  
Put your arms around me  
Put them around me

[Segunda Parte]

When the floor is wet  
And the lights come on  
But you don't wanna leave  
Can I bum a cigarette?

We could paint our names  
In black on the marquee

[Pré-Refrão]

Tonight, we'll be just be wrong

Ain't done this in so long  
We ain't gotta talk  
Baby we'll keep the stereo on  
When the floor is wet  
And the lights come on  
But you don't wanna leave

[Refrão]

Stay a while  
Stay a while with me  
Stay a while, don't deny  
The violet chemistry  
Stay a while  
Stay a while with me  
Stay a while  
Put your arms around me  
Put them around me

[Ponte]

Fingers start to dance along  
The figures and the shapes  
Mixing all the colors

Like we're makin' a Monet  
There's something between us

That's too major to ignore  
May not be eternal but

Nocturnal, nothin' more  
Fingers start to dance

Along the figures and the shapes  
Mixing all the colors

Like we're makin' a Monet  
There's something between us

That's too major to ignore  
May not be eternal but

Nocturnal, nothin' more

[Pré-Refrão]

Tonight, we'll be just be wrong

Ain't done this in so long  
We ain't gotta talk

Baby we'll keep the stereo on

[Refrão Final]
