tom:
Capostrate na 3ª casa
Intro: G D

[Primeira Parte]

She's a wonder woman
She knows what she likes
Never know she's broken
'Cause she's always fine
She's a million moments
Lived a thousand lives
Never know she's hopeless
Only when she cries

[Refrão]

When her favorite record's on
And she's dancing in the dark
She can't stop her eyes from
Welling up, up
She makes sure that no one's
'Round to see her fall apart

She wants to be th? one that never do?s

[Segunda Parte]

She's a won't stop woman
Hours on her hands
All the pain is polished
All the tears are planned

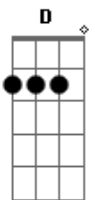

[Refrão]

When her favorite record's on
And she's dancing in the dark
She can't stop her eyes from
Welling up, up
She makes sure that no one's
'Round to see her fall apart
She wants to be th? one that never do?s

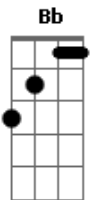

[Primeira Parte]

She's a wonder woman
She knows what she likes
Never know she's broken
Only when she cries
