

# Milky Chance - Eden's House (feat. Ladysmith Black Mambazo)

tom:

**Eb**

**Cm**  
Place without a hand  
**Gm**  
I framed it like a photograph  
**Cm**  
We glorify our golden days  
**Gm**  
And all we do is fade away  
**Cm**  
And even on a silent day  
**Gm**  
Still I don't know

[Pré-Refrão]

**Bb** **Eb**  
Where I wanna go on the run  
**Gm** **Eb**  
To eden's house, didn't know  
**Bb** **Eb**  
You can always run away from that feeling  
**Gm**  
No one ever makes me stay  
**Eb**  
When your heart is bleeding, always bleeding

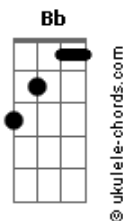

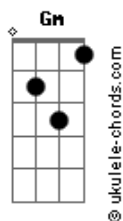

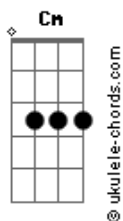

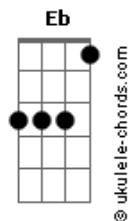

[Segunda Parte]

**Bb**  
And up and down is all we go  
**Eb**  
And little lies is what we know  
**Bb**  
So, what's the purpose of the show?  
**Eb**  
Emotionally overflow  
**Gm** **Eb**  
And even on a silent day, still I don't know

[Pré-Refrão]

**Bb** **Eb**  
Where I wanna go on the run  
**Gm** **Eb**  
To eden's house, didn't know  
**Bb** **Eb**  
You can always run away from that feeling
