**Em**  
Take me to Loveland  
**G**  
And no one's gonna find me  
**C**  
Cause I'm leaving this old place  
**G**  
Right o here

**Em**  
Nothing is too far  
**G**  
I handle that, oh trust me  
**C**  
When we're leavin' this old place  
**D**  
Right o here

**Em**  
Like she has flowers in her hair  
**G** **C**  
And you have flowers in your mouth  
**G**  
Cause your heart is upside down  
**Em** **G**  
And you get dizzy because of your charisma  
**C**  
She will love you like a twister  
**D** **C**  
And you'll be swept away  
**G** **G**  
And you'll be swept away

**Em** **G** **C** **G**  
Like we were so so sooo so sooo so in love  
**Em** **G** **C** **G**  
Like we were so so sooo so sooo so in love  
( **Em** **G** **C** **G** **Em** **G** **C** **G** **G** )
