

Milky Chance - Oh Mama

tom:

Intro: Gbm E Dbm Gbm E

[Primeira Parte]

Slowly we are falling through the cracks
It just feels like something we regret
Don't know what to do and how to act
Out of my means or that's our feels
Lately we've been covered by the past
But don't you think that we are made to last?

[Pré-Refrão]

Rather than just stumbling in the dark
In the dark, in the dark (jo)

[Refrão]

Oh when we get old mam
We think it was no drama
Cos when we would know
It was better letting it go
Why couldn't it be
Just a little more easy to see, darling?
That would've been all
Would've been all we needed to know

[Segunda Parte]

Sun is up the hillside, I was being blue-eyed
Seas on the no time, trouble on the inside
So far we've been trying to see the light
So hard, listen it was totally bright

Surely right, feelings tight

Thinking of the call on my mind, saying

Oh what, why is everything so messed up?

Anyway we made it so far

What are we tasting true love?
How does it feel like

[Pré-Refrão]

Remedy, so economically
As strong as the force of your fantasy
Or am I more? It's gonna be a mystery

[Refrão]

Oh when we get old mam
We think it was no drama
Cos when we would know
It was better letting it go
Why couldn't it be
Just a little more easy to see, darling?
That would've been all
Would've been all we needed to know
