

Milky Chance - Unknown Song

Tom: **G♭**

A♭m **Cm**
Through the years I have learned

That I conquered my words
A♭m
Set him up in fortune, falling in love
Cm **Fm**
Love is meaning now and you are the one who made it true

And my blood seems obviously, you are a haunted melody
Cm **Fm**
I try to forget you know memories
A♭m
I'm still on the run you're begging on my knees
Cm **Fm**
Will I ever learn how to get control?
Will I ever know you covered my soul?
A♭m **Cm**
Wooo wo oh oh wouwo
Fm

Your friends are gonna know
D♭
You fked up by yourself
A♭m **Cm**
Wooo wo oh oh wouwo
Fm
Your friends are gonna know
D♭
You fked up by yourself
Y yeah yeah
A♭m **Cm**
Wo uh wo oh wouwo
Fm **D♭**
They'll leave you all alone and now you're on your own
Y yeah yeah
