

Millencolin - Penguins & Polarbears

Tom: **B**

Intro: (**B**) **B** **Gb** **G** 3X **E** **Gb** **G**

(**B** **Gb** **G**)

I don't want you to know too much about me, oh no

'Cause I know you'll take advantage of the words that I say

You're looking for a way to depress me, make me pay

B **Gb** **G** 2X

(**B** **Gb** **G**)

You don't want me to be too close around you 'cause I would see

All the weak sides that you got, but which you're trying to hide

You know that I would nail you if I could nurse my pride

D **A** **B**
You're on the top when I am low

G **D**
As soon as you're fading I will grow

A **B**
I don't like you, you don't like me

G
We're lacking energy
Yeah, we're lacking energy

(we do)

B **Gb** **G** 2X

(**B** **Gb** **G**)

It's a mindgame we play, rule the roost, major cliché

While one of us is fit the other's going insane

And every time we think the positions will remain

D **A** **B**
You're on the top when I am low

G **D**
As soon as you're fading I will grow

A **B**
I don't like you, you don't like me

G
We're lacking energy

Yeah, we're lacking energy

D **A** **B**
So you got me up against the wall

G **D**
And I'm only waiting for your fall

A **B**
I'll get back on top and be carefree

G
It's not the end for me, no it's not the end for me

SOLO **DE** **BAIXO**

I know we're thinking the same and our opponent's the one to blame

B **D**
Thinking this way is not something that we both longed for

B **D**
Living this way is something we never did plan

E
But I don't think we will change

E **D** **B**
'Cause we're stuck in roles as other's antipodes
