

Milo Greene - Autumn Tree

Tom: **B**

(com acordes na forma de Capotraste na 4ª casa

Under the autumn tree

The chair where you would swing

The yard so full of leaves

It comforts me

A man that resembles me

Watching his young lady sleep

Now I'm off to dream

Comfort me

Is this my old shape?

My mind is away

How long have you been gone?

And the cold winter's aged

The soft of your face

And I can't move on

UHHHHHHHHHH

UHHHHHHHHHH

UHHHHULLLLLLL

My good morning sun
