Milo Greene - Dozen Times

```
                              tom:
                     C
Intro: C  Am   Em

Am              C
After something bad I
                Em
Can't let you go
                     C
So you turn me all around (all around, all around)
                       Em
Lead me far from home

Dm
Take off I'm leaving
                   Am
Must have been a dozen times
                 Dm
A dozen times before

Stay here no reason
                         Am
Must have been a dozen times
     G
A dozen times

C                   Am    Em
And if you want to know
Am              F       C
Why I keep on waiting
                  Em  C  Am
I've given all my soul
                    F        Em
It's hard for me to leave it
```

```
[Ponte] C  Em

                       C
Nothing I can say now
                     Em
Digging my own hole
                          C
And you watch as I go down (go down, go down)
                     Em
Leave me all alone

Dm
Take care I mean it
                             Am
I know I've said a dozen times
G           C
Dozen times

C                     F   Em  C  Am
And if you want to know
                   F       Em  C
Why I keep on waiting
                    Em  C  Am
I've given all my soul
                       F   C
It's hard for me to leave it

Am                   Em  C  F  Am
And if you want to know
                   F       C
Why I keep on waiting
                    Em  Dm  Am
I've given all my soul
                       F
It's hard for me to leave
