

# Milow - Out Of My Hands

Tom: Db

(com acordes na forma de Capotraste na 6ª casa G )

I made the call just too late

At the end of May

I just thought I could wait

For one more day

In the time that passed

You went down so fast

( C G )

You went down so fast

Out of my reach, out of my hands

I didn't understand

I would have changed all my plans

An empty house, a setting sun

At four a.m.

Some battles fought are battles won

But this ain't one of them

One more shadow cast

You went down so fast

( C G )

You went down so fast

Out of my reach, out of my hands

I didn't understand

I would have changed all my plans

Out of my reach, out of my hands

Now the leaves are turning brown

I watch 'em blow

Where the earth pulls them down

I let you go

As your breath unwinds

Through the restless pines

Out of my reach, out of my hands

I didn't understand

I would have changed all my plans

I would have changed

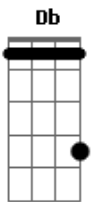

Out of my reach, out of my hands

I didn't understand

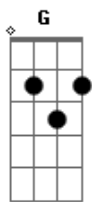

I would have changed all my plans

I would have changed
