

Milton Nascimento - Bridges

```
Tom: A
Intro: A A A/7 A
                     Bm7
                            Bm7
                                 Bm7
                                      Bm7
I have crossed a thousand bridges
    A7M Bm7 A7M Bm7
In my search for something real
       A7M E Gbm7
There are great suspension brigdes
       G A7 D7M
Made like spider webs of steel
       G7M Abm7 Dbm7
There are tiny wooden trestles
       Gbm7 Gbm
And there are
             bridges made of stone
     A7M Bm7 A7M Gbm7
I have always been a stranger
       Bm7 E7 A7M E7
And I've always been alone
       A7M G A7
                          Gbm7
There's a bridge to
                     Dbm7
There's a bridge from the past
       D7M E Dbm7
There's a bridge made of sorrow
            Bm7 E7
     Gbm7
That I pray will not last
                  G A7 Gbm7
      A7M
There's a bridge made of co...lors
             Dbm7
In the sky high above
    D7M
                   D
And I think that there must be
```

E7 A A A/7 A Bm7 Bm7 Bm7 Bm
Bridges made out of love A7M Ebm7 E
I can see her in the distance
A7M Bm7 A7M Bm7
On the river's other shore
A7M E Gbm7 Bm7 And her hands reach out longing
G A7 D7M
As my own have done before
G7M Abm7 Dbm7
And I call across to tell him Gbm7 Gbm Ebm7 E
Where I believe the bridge must lie
A7M Bm7 A7M Gbm7
And I'll find it, yes I'll find it Bm7
If I search until I die
A7M G A7 Gbm7
When the bridge is between us Dbm7
We'll have nothing to say
We will run through the sun light
Gbm7 Bm7 E7
And I'll meet him halfway A7M G A7 Gbm7
There's a bridge made of colors
Dbm7 In the sky high above
D7M D Bm7
And I'm certain that somewhere
E7 A A A/7 A Bm7 Bm7
Bm7 There's a bridge made of love.
There is a bitage made of tove.
