

# Milton Nascimento - Mistérios

tom:

Cm

Um fogo queimou dentro de mim  
 Que não tem mais jeito de se apagar  
 Nem mesmo com toda água do mar  
 Preciso aprender os mistérios do fogo pra te incendiar  
 Um rio passou dentro de mim  
 Que eu não tive jeito de atravessar  
 Preciso um navio pra me levar  
 Preciso aprender os mistérios do rio pra te navegar

Vida breve, natu\_\_reza, quem man\_dou, coração?  
 Um vento bateu dentro de mim  
 Que eu não tive jeito de segurar  
 A vida passou pra me carregar  
 Preciso aprender os mistérios do mundo pra te ensinar  
 Um vento bateu dentro de mim  
 Que eu não tive jeito de segurar  
 A vida passou pra me carregar  
 Preciso aprender os mistérios do mundo pra te ensinar  
 Preciso aprender os mistérios do mundo pra te ensinar
