

Milton Nascimento - Ponta de Areia

tom: A

Ponta de areia, ponto final
 Da Bahia à Minas, estrada natural

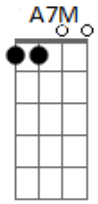

Que ligava Minas ao porto, ao mar
 Caminho do ferro mandaram arrancar

A7M D7M Dbm7
 Velho maquinista com seu boné
 Lembra o povo alegre que vinha cortejar

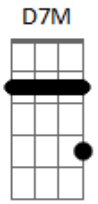

A7M D7M Dbm7
 Maria Fumaça, não canta mais
 Para moças, flores, já nelas e quintais

A7M D7M Dbm7
 Na praça vazia, um grito um ai
 Casas esquecidas, viuvas nos portais
