

Milton Nascimento - Ponta de Areia

tom: A

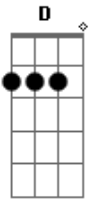

Ponta de areia, ponto final
 Da Bahia à Minas, estrada natural
 Que ligava Minas ao porto, ao mar
 Caminho do ferro mandaram arrancar

Velho maquinista com seu boné
 Lembra o povo alegre que vinha cortejar
 Maria Fumaça, não canta mais
 Para moças, flores, já nelas e quintais
 Na praça vazia, um grito um ai
 Casas esquecidas, viuvas nos portais
