

Milton Nascimento - Unencounter

tom: G

Intro: G Am

Why did you too leave this town, my friend?

Do you remember that tune

The song you sang to me

Asking about the friends

Who were leaving the town?

You didn't see but I cried

Because it was my time to go

You were so sad and I didn't know what to do

But to leave with that song leaving you

You were so sad and I didn't know what to do

But to leave with that song leaving you

Do you remember that tune my friend?

I can remember you saying

Maybe those people are searching for their place

Maybe their time isn't here

But you could never understand

Because it was your time to stay

But always the same goes on

Always the same goes on

Now you left the town

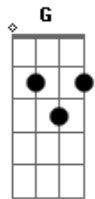

And I'm here looking for you

Now you left the town

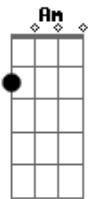

And I'm here looking for you

Why did you too leave this town, my friend?
