

Milton Sica - Santa Maria É Bem Mais

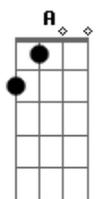

tom: A

Santa Maria da Boca do Monte
 Tanto horizonte encontram em ti
 O vento norte, descer a Visconde
 No calçadão a vida passa aqui

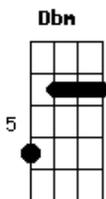

Tua alegria, as festas e os bailes
 As universidades, os tantos quartéis
 Terra de gente que vive e sonha
 Que cria e voa com os seus menestréis

Santa Maria, Marias, gurias

Guris e outros tais

Da Santa Alegria, de todas as tribos
 E pra quem busca mais

São ferroviários e comerciários
 Nossos romeiros de luz e de fé
 Outros professores e estudantes
 Nas salas, nas praças e no DCE

De trilhos, trilhas e ruas
 E tantas "figuras" que passam aqui
 Outros fizeram raízes, lembranças tão puras
 E sempre voltam pra ti
