

Mindy Gledhill - I Do Adore

tom:
 One, two, three, four
 Everything you do it sends me
 Higher than the moon with every
 Twinkle in your eye
 You strike a match that lights my heart on fire
 When you're near, I hide my blushing face
 And trip on my shoelaces
 Grace just isn't my forté
 But it brings me to my knees when you say
 Hello, how are you, my darling today?
 I fall into a pile on the floor
 Puppy love is hard to ignore
 When every little thing you do, I do... adore
 We're as different as can be
 I've noticed you're remarkably relaxed
 And I'm overly uptight
 We balance out each other nicely
 You wear sandals in the snow

In mid-July I still feel cold
 We're opposites in every way
 But I can't resist it when you say
 Hello, how are you, my darling today?
 I fall into a pile on the floor
 Puppy love is hard to ignore
 When every little thing you do, I do... adore
 Finding words, I mutter
 Tongue-tied, twisted
 Foot in mouth, I start to stutter
 Ha, ha, Heaven help me
 Hello, how are you, my darling today?
 I fall into a pile on the floor
 Puppy love is hard to ignore
 When every little thing you do, I do... adore
 Every little thing, ba, ba, ba, ba
 Every little thing, ba, ba, ba, ba
 Every little thing you do, I do... adore
