

Mindy Gledhill - I Do Adore

tom:

C
One, two, three, four

C
Everything you do it sends me
Am
Higher than the moon with every
F
Twinkle in your eye
G
You strike a match that lights my heart on fire

C
When you're near, I hide my blushing face
Am
And trip on my shoelaces
F
Grace just isn't my forté
G
But it brings me to my knees when you say

C
Hello, how are you, my darling today?
F
I fall into a pile on the floor
C
Puppy love is hard to ignore
F
When every little thing you do, I do... adore

C
We're as different as can be
Am
I've noticed you're remarkably relaxed
F
And I'm overly uptight
G
We balance out each other nicely
C
You wear sandals in the snow

Am
In mid-July I still feel cold
F
We're opposites in every way
G
But I can't resist it when you say

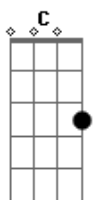

C
Hello, how are you, my darling today?
F
I fall into a pile on the floor
C
Puppy love is hard to ignore
Am
When every little thing you do, I do... adore

F
Finding words, I mutter
G
Tongue-tied, twisted
Am
Foot in mouth, I start to stutter
E
Ha, ha, Heaven help me

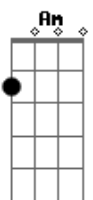

C
Hello, how are you, my darling today?
F
I fall into a pile on the floor
C
Puppy love is hard to ignore
Am
When every little thing you do, I do... adore

G
Every little thing, ba, ba, ba, ba
C
Every little thing, ba, ba, ba, ba
F
Every little thing you do, I do... adore
