

# Mineral - Parking Lot

Tom: D

Intro: D A G D x 2

Bm G D  
I wouldn't mind if you took me in my sleep tonight  
Bm G D  
I wouldn't even put up a fight  
Bm G D  
I wouldn't care if you took it all away today  
Bm G D  
I'm sure I wouldn't even miss the pain

Bm G D x4

solo

(G ) Bm G D  
But I know I've got to live my life  
Bm G D  
And roll around on the ground and feel the strife  
Bm G D  
And realize along the way that I'm nothing more  
Bm G D  
Than a grain of salt in the salt of the earth

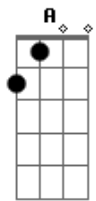

Bm G  
And everything is grace

Bm G D x4

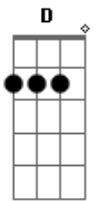

D A Bm7 G  
So come on with the darkness  
D A Bm7 G  
Come on with the fear  
D A Bm7 G  
Cause I've got to start somewhere  
D A Bm7 G  
And it might as well be here

Bm D G Bm D G  
When I'm finally naked and standing  
Bm D G Bm G  
in the sunlight  
Bm D G Bm D G  
I'll look back at all of this selfishness  
Bm D G  
and foolish pride  
Bm D G  
And laugh at myself  
Bm D G  
And laugh at myself
