 Uh Uh Uh Uh Uh Uh Uh
 F
 Roaming around I tried finding
 Am
 That one someone, ye I tried it
 G
 Were they lost or just hiding?
 F
 Gallivanted all over this big blue marble
 Am G
 I could kiss you and kiss you and kiss you and kiss you
 F
 They spend all their lives lonely and wishing
 Am
 They could find the light in a blinking
 G
 The only and one fighting reason
 C G F
 I've been trying and trying to reach you
 C G F
 Every damn time I tried I'd miss you
 Am G
 Guess I should know better you were hiding From all we can be
 Am G
 And i should know better it would come and be my every dream
 F Am G F

Uh Uh Uh Uh Uh Uh Uh

F
 One day, you'll keep trying you'll see it
 Am
 That it's by chance not choice you'll live it
 G
 Coz when you cross paths with the one you've been seeking
 F
 Guess that it was just meant to be
 C G F
 I've been trying and trying to reach you
 C G F
 Every damn time I tried I'd miss you
 Am G
 Guess I should know better you were hiding From all we can be
 Am G
 And i should know better it would come and be my every dream
 C G F
 I've been trying and trying to reach you
 C G F
 Every damn time I tried I'd miss you
 Am G
 Guess I should know better you were hiding From all we can be
 Am G
 And i should know better it would come and be my every dream
