Em

I wanna play your heart

Like a song that grows old

I will be bold I'll find a way

Into your heart and soul

Oh Oh Oh

I will love you so

Em

I wanna play your heart

Like I played my part

My share of love
I wanna turn it up

Like my favorite song

Oh Oh Oh

You're my share of love

Oh Oh Oh?.. Oh Oh? Oh

We will be just like a

Song, a melody

When i'm down

You'll bring me in

And turn it uuu..p

Am

Louder

Than ever before

I'll be playing

Our favorite tune

And if you are down

I'll bring you in

I'll bring you in

But If you are

Just playing me

Play it right

Play it right

So we will be just like a

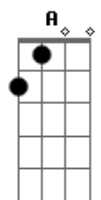

Song, a melody

When i'm down

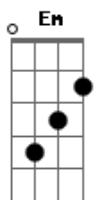

You'll bring me in

And turn it uuu..p
