

# Ministério de Louvor IECVP - Oh Pai, Eu Queria Tanto Ver

Tom: C

Oh Pai, eu queria tanto ver o meu Senhor descer vindo me encontrar;

Eu posso até imaginar a refulgente glória, do Senhor Jesus

Transpondo as brancas nuvens, no mais puro azul, onde nem sul nem norte existirá

E em meio a lágrimas, sorrisos de alegria e de prazer

Eu que era cego, agora posso ver, contemplar, contemplar enfim...

Por isso eu canto glória,

Glória, glória, ao autor da minha fé

Glória, glória, ao autor da minha fé

Oh Pai, eu queria tanto, tanto ouvir o som que vai abrir, o encontro triunfal

Rever amigos que, um dia em Cristo, foram feitos meus irmãos

E agora sim, podemos dar as mãos, pois temos todos um, somente um, um só Senhor

E eis o consolo que envolve a minha vida o meu Senhor Jesus

Que foi morto sim, naquela cruz, voltará, voltará enfim...

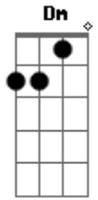

Por isso eu canto glória,

Glória, glória, ao autor da minha fé

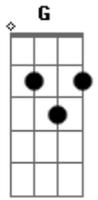

Glória, glória, ao autor da minha fé
