Responsório de Santo Antônio (Benção dos pães)

Tom: C

Se milagres desejais... recorrei a Santo Antônio
 Vereis fugir o demônio... e as tentações infernais

Recupera-se o perdido... rompe-se a dura prisão
 E no auge do furacão... cede o mar embravecido

Todos os males humanos... se moderam, se retira

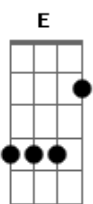

Dm G C Am E E Am
 Digam-no aqueles que o viram... e digam-no os padu anos

A7 Eb Dm Dm E7 E Am
 Recupera-se o perdido... rompe-se a dura prisão
 E no auge do furacão... cede o mar embravecido

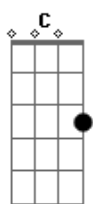

Pela sua intercessão... foge a peste, o erro, a morte
 O fraco torna-se forte... torna-se o enfermo são

Recupera-se o perdido... rompe-se a dura prisão
 E no auge do furacão... cede o mar embravecido
