

Ministério Salva-me - O Bom Samaritano

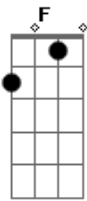

tom:
C
Intro: C F C G C
Um homem caiu na estrada
Ferido quase sem voz
Alguns passaram depressa
Pensando apenas em si sós
Amar é parar e cuidar
Em Am

É estender a mão
É ver no outro um irmão
É agir com o coração
Um estrangeiro parou
Ajoelhou-se no chão
Cuidou das feridas abertas
Com óleo e compaixão
Quem ama constrói pontes
