

Mint Condition - Nothing Left To Say

tom:
C

C7M
The words so strong

At least at the beginning
Gm7
Who would've thought

There'd ever be an ending
F7M
We had it all
Bb7
But it's like we've run into a wall
C7M
Now we try to talk

But just end up fighting
Gm7
Try making up

But there's just no denying
F7M
Jus' ain't the same no more
Bb7
What are we putting ourselves through all this for
C7M
You talk and hear me

But you can't communicate
Gm7
Cause you're not lis'ning

Know these are two differnt things
F7M
Now I see what it means to have been
Bb7
Blinded by the one you love so deeply
C7M
Cause
Gm7

The very things that make me love you
F7M
Are the things pushing me away (now)

In tears we stand here
Bb7
With nothing left to say
C7M **Gm7**
And all I could do for you
F7M
I should've done before (now)

In tears we stand here
Bb7
There's nothing left to say
C7M
You touch'd my heart
Gm7
And were so givin

Spare it so free
F7M
You threw me in it

I fell so deep
Bb7
I could not see my life

Without you in it
C7M
Girl you gave me
Gm7
Alot of attention

Somehow the feeling turned
F7M

Into crazy possessive
It was always there
Bb7
But I didn't look deeper

If I would've I'da seen the limits
C7M
You talk and hear me

But you can't communicate
Gm7
Cause you're not lis'ning

Know these are two differnt things
F7M
Now I see what it means to have been
Bb7
Blinded by the one you love so deeply
C7M
I had my pride girl

And you had your pain
Gm7
So deep inside you

Wanted to have your say
F7M
Irritated, frustrated and third baby
Bb7
This is so confusing

Girl I though this was the one thing for sure
C7M **Gm7**
The very things that make me love you
F7M
Are the things pushing me away (now)

In tears we stand here
Bb7
With nothing left to say
C7M **Gm7**
And all I could do for you
F7M
I should've done before (now)

In tears we stand here
Bb7
There's nothing left to say ay

[Bridge]

G7
We should have our words

To try and encourage

Us to find a way
C7M
Cause there's nothing left to say

The very things that make me love you
Gm7 **F7M**
Are the things pushing me away (now)

In tears we stand here
Bb7 **C7M**
With nothing left to say

And all I could do for you
Gm7 **F7M**
I should've done before (now)

In tears we stand here
Bb7
There's nothing left to say
