

Mint Condition - Nothing Left To Say

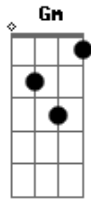

tom:
 C
 The words so strong
 At least at the beginning
 Gm
 Who would've thought
 There'd ever be an ending
 F
 We had it all
 Bb7
 But it's like we've run into a wall
 C
 Now we try to talk
 But just end up fighting
 Gm
 Try making up
 But there's just no denying
 F
 Jus' ain't the same no more
 Bb7
 What are we putting ourselves through all this for
 C
 You talk and hear me
 But you can't communicate
 Gm
 Cause you're not lis'ning
 Know these are two differnt things
 F
 Now I see what it means to have been
 Bb7
 Blinded by the one you love so deeply
 C
 Cause
 Gm
 The very things that make me love you
 F
 Are the things pushing me away (now)
 In tears we stand here
 Bb7
 With nothing left to say
 C Gm
 And all I could do for you
 F
 I should've done before (now)
 In tears we stand here
 Bb7
 There's nothing left to say
 C Gm
 You touch'd my heart
 Gm
 And were so givin
 Spare it so free
 F
 You threw me in it
 I fell so deep
 Bb7
 I could not see my life
 Without you in it
 C
 Girl you gave me
 Gm
 Alot of attention
 Somehow the feeling turned
 F

Into crazy possessive
 It was always there
 Bb7
 But I didn't look deeper
 If I would've I'da seen the limits
 C
 You talk and hear me
 But you can't communicate
 Gm
 Cause you're not lis'ning
 Know these are two differnt things
 F
 Now I see what it means to have been
 Bb7
 Blinded by the one you love so deeply
 C
 I had my pride girl
 And you had your pain
 Gm
 So deep inside you
 Wanted to have your say
 F
 Irritated, frustrated and third baby
 Bb7
 This is so confusing
 Girl I though this was the one thing for sure
 C Gm
 The very things that make me love you
 F
 Are the things pushing me away (now)
 In tears we stand here
 Bb7
 With nothing left to say
 C Gm
 And all I could do for you
 F
 I should've done before (now)
 In tears we stand here
 Bb7
 There's nothing left to say ay
 [Bridge]
 G7
 We should have our words
 To try and encourage
 Us to find a way
 C
 Cause there's nothing left to say
 The very things that make me love you
 Gm F
 Are the things pushing me away (now)
 In tears we stand here
 Bb7 C
 With nothing left to say
 And all I could do for you
 Gm
 F
