

Mintcho Garrammone - La Cumbia Del Amor

Tom: A

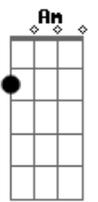

m
 Siento al despertar
 Que tuve un sueño y ya no logro recordar
 Son solo imágenes que quiero hilvanar
 Un sueño hermoso nunca se deja escapar.
 Ibamos los dos
 A paso lento caminando junto al mar
 El horizonte nos dejaba contemplar

Un sol lejano que ya se iba a descansar.
 De lejos se escucho
 Una melodía susurrando al corazón
 Aceleramos rumbo en esa dirección
 Emocionados sin razón
 Y empezamos a bailar
 Junto a esa gente con sus sonrisas en flor
 Toda la noche y hasta hacer nacer el sol
 Aquella cumbia del amor
