tom:
A
[Guitarra Base]

Em
I?ve heard about a man that can save my soul
His name is Jesus Christ and He loves Rock ?n Roll
[RIFF]

Em
He found a sad girl she was drowning in sins
The rock are all dropped
Baby, follow me
[RIFF]

Em
So don?t try to sell your body
?Cause your body is already sold
It was paid by a man at a high price
He paid with his own blood
[RIFF]

Em
So, i?m offering my life
I?m offering my soul
[RIFF]
?Cause He loves me so Much
Em
So, i?m offering my life
I?m offering my soul
