Miracle of sound - Sovngarde Song

Tom: C Intro: /Riff 1:

Am F G Am From the mists of the mountains a deafening call Am F G F Bellows down over the plains Am F G Am On a host of battle-worn ears it does fall F E Am Pushing out through the thunder and rain Am F G Am These men of the north they have suffered too long Am F G E The anger it swells in their veins Am F G Am Of the spirited roars of lost warriors' songs F E Am Distant echoes are all that remain D Am And my voice is my violence \$D\$ \$Am\$ Clear the sky's frozen tears F Am And no more we'll be silent F F With this Sovngarde song in our ears Am And we stand tall C G Sons of the snow Am F We will not fall G Under these blows Am For our hearts they are hardy C G Our spirits are strong F F And our voices are lifted into Am This Sovngarde song

Riff 1:

```
Am 3x
   F G Am
Am
 Conquer the anger and ravenous rage!
   F G D
Am
 Make it a part of your power
       F
Am
                 G
Pummeling down let your bloodlust engage!
m F G D
 Under your force they will cower
Am F G Am
AmFGD
           F G
                            Am
 Feeling the fury so pure and so bright
m F G D
Am
 Breaking the bonds of surrender
m F G
                               Δm
 Under the moon for our home we will fight
 And we will die to defend her
     D
              Am
```

Acordes

And my voice is my violence D Am Clear the sky's frozen tears F Am And no more we'll be silent F With this Sovngarde song in our ears Am F And we stand tall G С Sons of the snow Am F We will not fall G Under these blows Am For our hearts they are hardy G Our spirits are strong F And our voices are lifted into
