

Miraculous Ladybug - The Boy That I Secretly Love

Tom: Eb

There is only one thing this kind of damage can bring
 Cat Noir's Cataclysm, am I right?
 And look this gift wrap too, it's an important clue
 It's from a present to Adrien tonight

Adrien disappears and Cat Noir steps in
 He must be working to protect him
 My only explanation, my speculation

Is that some supervillain is after Adrien

It's a good thing I'm here, I'll protect him without fear
 This boy that I secretly love
 And with all of my might, I'll save you tonight
 You're the boy that I secretly love

If you never know it's true, I'll be there for you
 You're the boy that I secretly love
 But what would you do if you knew what's true?
 That's why I so secretly love you
