"Back To The Future Overture"

Composed by Alan Silvestri

Originally performed by the Outatime Orchestra

Taken from the BTT**F** movie soundtrack

I have arranged this for guitar.

" " indicates loud or sustained notes

"tri" indicates fast triples

Main Orchestral theme:

tri tri

Horns interlude

tri tri

Repeat the main piece again

Start of outro

tri tri

Final fanfare bar:

tri tri tri tri

It's probably all in the wrong key, so feel free to detune/use a capo etc. Comments/slagging can be directed to me at the email address found at the following:
