Rawhide...

Hello Nevada archivers : This could be posted to blues\_brothers, misc\_teand guy\_van\_duser (a great guitarist who deserves a directory!)

Here goes :

This is an adaptation of the "Rawhide" melody, copped from Guy van Duser's "Great Western TV Medley", although he does it with a capo at the second fret. Let me take this opportunity to plug Guy -- if you get a chance to hear his **CD** "American Fingerstyle Guitar", do so. The "hat" symbol in this is a hammer-on or pull-off. Now, think of the Blues Brothers in the country bar. 8-

Rough lyrics for the first two verses, as I remember them:

Rollin', rollin', rollin'  
 Keep those wagons rollin'  
 Keep those wagons rollin', rawhide  
 All the things I'm missin'  
 Good vittles, love and kissin'  
 Wishin' my girl was by my side

Rollin', rollin', rollin'  
 Though those streams are swollen  
 Gotta keep 'em rollin', rawhide  
 Don't try and understand 'em  
 Just rope and throw and brand 'em  
 Soon we'll be livin' high and wide
