Rain

Cowboy Bebop

Tabbed by SJ

This is just the solo. Thats pretty much the only guitar part in the whole song, most of it is played by an organ piano thing.

Fallen Angels" was the one with the woman, where the solo is cut off by Spike and Viscous talking (which is indicated in the tab by \)

Anyways the rest of the tab is for the 'full version' which is with the guy.

There are two versions of the song, one sung by a girl and the other sung by some guy. The one that was played in the TV episode "Ballad of

Bend this one even more then the one before
