Tom: C

A
Walls start closing in around you
C G
My twins of evil
A
They shake you by the collarbone
C G
Then snap your ribcage

A
And broken bodies in a death rock dance hall
C G
Please be my partner
A
Eyeballs pop, accelerated blood beat
C G
Veins `a' shaking

C G A
And all hell breaks loose
C G A
Yea, evil is as evil does and who
C G A
Yea, who but me could write this book of cruel

A
I send my murdergram
C G
To all these monster kids
A
It comes right back to me and it's
C G
Signed in their parents' blood

C G A
And all hell breaks loose

C G A
Yea, my whole world's breaking loose
C G A
Yea, my whole world's breaking loose

Yea, and evil is evil as does and who
C G A
Yea, but who but me could write this book of cruel

A
I send my mudergram
C G
To all these monster kids
A
It comes right back to me and it's
C G
Signed in their parents blood
A
And broken bodies in a death rock dance hall
C G
Please be my partner
A
And eyeballs pop, accelerated blood beat
C G
Veins a-shaking

C G A
And all hell breaks loose

C G A
Yea, my whole world's breaking loose
C G A
Yea, evil is as evil does and who
